LATIMER DELIVERS MORE

LATIMER
by Clarion Housing Group

Latimer is part of Clarion Housing Group, and is a new kind of housing developer and that means exceeding expectations to 'deliver more'. Latimer is working with communities and councils across the country. Providing tailored solutions to their needs.

Latimer is a placemaker, committed to creating spaces and homes that are amazing to live in and visit, places that appeal to a broad range of people and preferences but always with a strong focus on community and quality.

Bricks and mortar are at the foundation of everything we do. But it's a foundation on which to build more than just homes. The Latimer impact on the land we develop is positive and enhances environments. Our surplus is poured back into communities helping the Group deliver more.

Latimer is pushing the boundaries of expectation. Because affordable shouldn't mean poor-quality. Because aspirational shouldn't mean out of reach. Because accessible shouldn't mean generic. Latimer is delivering more for residents, for communities, for the future.

Latimer doesn't just deliver homes, Latimer delivers social impact.

Latimer delivers more.

ABOUT THE LOCAL AREA

BLOSSOMFIELD AT THORP ARCH, WETHERBY

Boston Spa High Street

Balancing serenity with a friendly social scene, Thorp Arch is a welcoming and relaxing pocket of nature where you can lay down roots and grow families as well as friendships.

The attractive village location offers a steady pace of life, allowing you to refresh and reconnect amongst wide open space and the great outdoors. Mentioned in the Domesday Book, Thorp Arch — or Torp as it was once known — was previously home to Romans with evidence of the Neolithic, Bronze and Iron Ages before that. Today it's home to Leeds United's training ground, as well as the British Library's Reading Room, where you can consult millions of resources including books, newspapers, microfilm and sound recordings. A primary school, village green and local pub line its arterial street before crossing the tranquil River Wharfe and connecting to the character and amenities of Boston Spa.

The former spa town retains its architectural elegance, and boasts a range of independent shops, bars and restaurants, as well as schools and education settings. The beautiful market towns of Wetherby and Tadcaster also lie closeby, offering a plethora of leisure and entertainment facilities from race meetings and breweries to boutique hidden gems and well-known high street names.

Further afield, but still within comfortable commuting and taxi hopping distance, is the golden trio of York, Harrogate and Leeds; each with their own distinct character and unique offerings. And while all three are steeped in history and folklore, their eyes are firmly on the future — acting as modern day business hubs and rich cultural destinations in their own right.

For family days out and fun filled trips, Bramham Park, Harewood House and Stockeld Park provide year round activities for people of all ages. Just over an hour's drive away in different directions, you'll find the North York Moors and the Yorkshire Dales, each with magnificent walks, panoramic views and medieval abbey ruins.

WAYS TO BUY WITH LATIMER

Why buy with Latimer?

Latimer is the private 'for sale' development arm of Clarion Housing Group, developing private homes in thriving, mixed use communities.

Clarion Housing Group is the UK's largest provider of affordable housing, with over 125,000 homes and more than 350,000 residents across the country.

As part of Clarion Housing Group, Latimer has an unrivalled balance sheet with net assets of over £7bn and a turnover of close to £1bn per annum. For the past 100 years we've been building communities that work for the long term.

The Clarion story started with William Sutton, a 19th century entrepreneur who gifted his entire fortune (£230 million in today's money) to build affordable housing across major cities in the UK. We have been delivering on his legacy ever since. The majority of homes we build will always be for affordable tenures, but building homes for private sale is crucial for our business to develop both mixed sustainable communities and recycling any profits we make from private sales back into building and maintaining more affordable homes.

What sets Latimer apart is our long-term commitment to the people who live in our homes. We don't build and then simply move onto the next site; we create places for families to thrive and all of our work is built on strong financial foundations, meaning we are a dependable partner.

We also want every Latimer community to be socially and environmentally sustainable. That means a consistent commitment to high quality and low carbon properties.

Our model is very different to other developers. We don't have shareholders, so we don't face short term demands to make profit at any cost. Instead, we are driven by our commitment to quality, community and places that succeed.

As a group we have a committed development pipeline of over 16,000 new homes and have ambitions to become a top ten home builder in the UK over the next 5-7 years. If you buy a Latimer home you will be buying into an organisation with more than 100 years of history and an enduring commitment to building communities that succeed.

Whatever the stage of your property-owning journey, we're here for you. Read on to find out how we can help you get the keys to your very own home.

SHARED OWNERSHIP

Shared Ownership is an excellent way for you to take your first steps onto the property ladder and become a homeowner. We've produced a full, step by step guide that you can find on the Latimer website, and given some key information here that you need to know.

Shared Ownership is also known as part buy, part rent and is designed to be a stepping stone to you owning your home outright. You buy a share of your home – as much as you can afford – starting from as little as 25% and rising up to 75% of the property's value. You then pay subsidised rent to us on the remaining share of your home.

Over time, you can buy more shares in your Shared Ownership property, meaning you can own your home outright. This process is known as 'staircasing'. It is a good idea to start thinking about staircasing even before you buy, so you have a plan for owning more of your property.

The deposit required for a Shared Ownership mortgage is lower than if you were purchasing a property outright. This is because it is calculated on the initial share you are purchasing, rather than the full value of the property.

EXAMPLE : PURCHASING 25% OF A PROPERTY VALUED AT £200,000

1 YOUR DEPOSIT

Your 25% share of this property would be worth £50,000, meaning you would need a 5% mortgage deposit of £2,500.

2 YOUR MORTGAGE

A mortgage lender could loan you the remaining £47,500 to make up the full value of your 25% share.

3 YOUR RENT

You will then pay subsidised rent to Latimer on the remaining 75% of the property you don't own.

Am I eligible for Shared Ownership?

To be eligible for Shared Ownership you will need to meet certain requirements set by Homes England. You could be eligible for Shared Ownership if:

- You are at least 18 years old
- You cannot afford to buy a home that suits your household's needs on the open market
- You have savings to cover a mortgage deposit and can obtain a mortgage
- Your household earns £80,000 or less (£90,000 or less inside London)
- You are a first-time buyer

If you already own a home and need to move but cannot afford to – or you have equity from a recent sale – please contact us, as there are some circumstances under which you may still be eligible.

In some cases, due to criteria set by local authorities, you may be asked to show a connection to the local area where you're looking to buy. For instance, you might currently live and/or work there.

Maximum incomes and further eligibility requirements may vary for each scheme. Speak to a member of our sales team if you have any doubts.

Before you purchase a Shared Ownership home, we will put you in touch with an independent mortgage advisor who will assess whether the purchase is affordable for you and take you through all your options.

MAKING A POSITIVE IMPACT

The homes we create at Latimer are homes for life; meaning we deliver more to the communities our homes are part of and do more to protect the environment they're located in.

Environmental impact

Guided by UN Principles and targeting net zero. From the centre of the city to rural retreats, Latimer homes will always maximise fresh air and green spaces.

Our homes are designed and built to keep our residents and the world they live in healthy.

Our projects are future facing, because the homes we create are homes for life, not just for profit.

Economic impact

Latimer developments deliver more than just new homes. The planning process considers the potential for prosperity and opportunity as much as it does the nuts and bolts of the build. All developers have a legal obligation to the local community, but at Latimer we deliver more than what is required by law.

Latimer projects benefit communities through job generation, green places, fresh faces and vibrant social spaces.

Our economic impact starts when we buy the land, and continues far into the future through our tenants and the relationships we build.

Social impact

We create spaces that generate Social Energy. We design high-quality homes and spaces that help foster a sense of community, building a sense of inclusion, safety and happiness.

Communities are created in the shared spaces, the green spaces, the open doors and the passing places. When you bump into your neighbour in the gardens or you share a lift to your floor, these are the moments that generate relationships. At Latimer we spend the same time and energy on creating those spaces as we do on the design, layout and production of your homes.

OUR DEVELOPMENTS

Latimer builds homes for both outright sale and shared ownership throughout the nation. From contemporary apartments to family homes. From rural landscapes to iconic central cities.

Each of our developments utilise our expertise and share our commitment to quality. From iconic locations to beautiful craftsmanship and the best materials, we deliver more spaces for our residents and their communities thrive.

The Latimer logo is synonymous with high-quality design and a commitment to excellence. We partner with architects, designers and contractors that share our values.

Once built and occupied our customer service and after care continue to uphold our core values of providing happiness and delivering more.

A WORD FROM OUR CUSTOMERS

A place of my own.

STEPH HALL

HOME OWNER AT
LINGLEY FIELDS, WARRINGTON

“When my mum first told me about shared ownership, I was sceptical – I’d never heard of it before and had no idea how it worked or whether I would actually own the house or not. But after doing more research, it became clear that it could offer me a way to buy the type of house I wanted, on my own.”

Being able to live in a new-build house was such an incentive for me to buy via Shared Ownership. For the same amount I pay per month, I’d only be able to afford a small, old flat if I was traditionally renting. Instead, I now own part of a house I love and crucially, I’ve been able to buy it on my own.”

A lovely rural location.

NATALIE IVIN

HOME OWNER AT
SAYERS GROVE, HAYWARDS HEATH

“I am very happy with my flat. The block I’m in is really open, spacious and has a big hallway. I am also in a lovely rural location and look out onto fields.”

I would definitely recommend shared ownership and in fact have directed my friend, who is in a similar position to me, to the website.”
