Description

Luddington House itself is an elegant Grade II listed mansion, believed to date from 1660, which was skillfully converted during 2020 into twelve luxurious apartments & one large three storey home by specialist developer The Jaspar Group. At the same time as the conversion of the mansion was taking place the development company also constructed six new build townhouses within the grounds to create a highly attractive main square featuring manicured lawns and a central fountain.

Directions

From our offices in Station Approach, Virginia Water, turn right onto Christchurch Road and proceed to the traffic light crossroads next to Virginia Water Railway Station. Turn left into Stroude Road in the direction of Egham and continue for one mile. After passing the turning into Luddington Avenue on the left hand side, Luddington House will be found 100 yards along on the left.
