55 Victoria Street

Englefield Green • Surrey • TW20 0QX

£1,195,000 • Freehold

Significantly larger internally than apparent from outside, a spacious detached property currently occupied as two large apartments (ground floor apartment plus a first floor annexe) but which could equally be occupied very easily as a family home.

The location is exceptionally private and yet could not be more convenient, tucked away towards the end of a private drive providing access to a small number of properties in the centre of the village and therefore within a very short stroll of local shops, eateries, restaurants and other services including the local medical practice.

Description

55 Victoria Street offers a purchaser over 2,700 square feet of family accommodation currently arranged as two spacious & well presented two bedroom apartments on the ground & first floor (the first floor apartment is "The Annexe"). In addition, the garage has been converted to a Studio Apartment to provide even further flexibility for living arrangements if so desired. Furthermore the property undoubtedly benefits from an ultra convenient centre of village location combined with a secluded position towards the end of a private lane providing access to only a handful of properties. Royal Holloway University Campus is only a few hundred metres away and the mainline railway station at Egham is approximately five minutes drive serving London Waterloo (42 minutes) & Reading.

Directions

From the A30 traffic light crossroads adjacent to Royal Holloway University proceed opposite along St. Judes Road to the mini roundabout & continue straight over into the village centre. Turn right into Victoria Street and after approximately 200 yards turn left into a private lane (immediately opposite Victoria Wines on the right) and follow the lane round to the right - No.55 is straight ahead.
